

About Pure Energy Hair Studio

Pure Energy Hair Studio is an Aveda Concept Salon that exhibits the highest passion for service, creative skill and commitment to consistently implementing Aveda's philosophy of connecting beauty, wellness, and care for the environment.

Our facility offers a warm, uplifting and inviting ambiance, as well as a full AVEDA retail boutique, blending the complete line of Aveda's hair, skin, body, make-up and hair care products with the exclusive use of Aveda's hair color line in our salon.

Our Mission: INSPIRE • CREATE • ENERGIZE

Aveda is a value based company that believes in conducting business in a manner that helps protect the Earth. Aveda is committed to furthering ideas and activities that cultivate a sustainable economy and culture, such as indigenous ingredient sourcing, environmental sustainability and only offering products that are derived from pure plant and flower ingredients.
