Aveda's Enbrightenment Discoloration Treatment

This unique facial experience combines high-tech plant technology-up to 99% naturally derived formulas - with a high-touch service to maximize the benefits of new Enbrightenment Brightening Skin Care:

34% reduction in appearance of discoloration and dark spots; 52% improvement in visibility clarity.

New massage and application methods inspired by traditional Asian techniques to support healthy function achieving an evening of skin tone and overall luminosity. For the most noticeable results, we recommend a series of 4 weekly treatments, followed by monthly maintenance facials that improve skin improvements. 60 minutes - \$130
